

We're so excited to have everyone back for another great season!

Tips for Getting Started

We have compiled a list of helpful tips to help everyone have a smooth start to their boating season this year. Please remember to flush your hoses and tanks before hooking up to summer water. If you had your boat winterized with us please contact the office about dewinterizing your boat. Check your electrical cables coming from the pedestals to ensure they still fit tightly into the plug and there are no frayed wires.

Golf Cart Policy Reminders

Children and Teens will not be allowed to drive golf carts on the docks. Only adults and teens with valid driver's licenses will be permitted to drive on the docks. Shared golf carts are not permitted unless every member has paid their fee, each family must pay a separate fee for shared golf carts. Violation of the above policies will result in cancellation of your permit fee without refund and you will be required to remove the golf cart from the docks.

As a courtesy to others we also ask that you would please park in front of your slip or in the designated golf cart parking when using the parking lot rather than in the car park spaces.

Coming Soon to Green River Marina!
We will be adding Hunt Brother's pizza to our store menu this summer. We will be carrying a variety of pizza toppings and wings to go with it. We even plan to serve a breakfast pizza as well. We will be rolling out several ordering options for this so watch the newsletters for updates!

Yearly Permits

Please make sure to pick up your 2021 golf cart permits from the office before you bring your golf cart back on the docks this summer. Payment for the permit must be received before you can collect your sticker

Please also be sure to stop by and pick up your slip permit stickers from the office. These stickers will help us ensure no one is parking in your slip without permission. Slip payments must be received before collecting your permit.

Slip Renewals

Just a reminder to everyone that slip paperwork and payments were due April 1st. If you have not yet submitted your paperwork or payment yet please make sure to get that in as soon as possible to avoid the \$25/per month late filing fee on paperwork and finance charges on unpaid slip balances. Late fees and finance charges start accruing on May 1st 2021.
