### **October Renewals**

October renewals have been mailed out. Please let us know if you do not receive yours in the mail by Sept. 1<sup>st</sup>. As a yearly reminder, all paperwork and payments are due by October 1<sup>st</sup>, payments and paperwork received after the due date are subject to late fees for late payment and/or late filing. Please call or email us in the office if you have any questions regarding your contract. If you have a golf cart permit coming due in October please stop by the office to collect your 2023 permit sticker once your balance is paid. If you do not plan to renew your slip we must be notified by Sept. 1<sup>st</sup>.

### **Golf Carts**

As we get closer to fall we would like to remind everyone that golf carts should not be left in the parking lot over the winter. We will not move golf carts left in the parking lot over winter. Golf carts left in the parking lot are at great risk to be damaged by flooding. We recommend either taking your golf cart home with you over the winter months or parking it in front of your houseboat when you are packing up for the season.

### **Winterization Requests**

We will be accepting winterization requests from 9/6-10/31/22 this year.

Please contact the office at (270) 465-2512 or email Shawna at [shawna@greenrivermarina.com](mailto:shawna@greenrivermarina.com) to schedule your winterization. Requests must be made before 10/31/22 in order to be accepted.
